

FILIPPO FALZI

Mechanical Engineer | MSc Computer Graphics

CONTACT

Email: filippo.falzi@live.com
LinkedIn: [filippofalzi](#)
Born: Negrar, Verona (VR), 25/05/1998

LANGUAGES

Italian - Mother tongue
Spanish - Advanced (SIELE / Instituto Cervantes)
English - Advanced (IELTS in progress)
Additional English training: Bath University and private school in Canterbury, UK.

TECHNICAL SKILLS

Programming

C++, C#, MATLAB, R

Computer Graphics & Games

OpenGL, HLSL, Vulkan, Unity

CAD / 3D Modelling

Autodesk Inventor, CATIA, SolidWorks, Solid Edge

Creative Tools

Illustration, drawing, comic sketching and digital graphic applications

KEY STRENGTHS

- Analytical and mathematical mindset
- Clear communication and teaching ability
- Creativity applied to technical projects
- Adaptability in international contexts
- Teamwork, reliability and hands-on attitude

PROFILE

Mechanical Engineering graduate currently specializing in Computer Graphics, Games and Virtual Reality. Strong analytical and mathematical background, with experience in C++/C#, graphics APIs, Unity and CAD/3D modelling. Combines technical problem solving with creativity developed through illustration, drawing and digital arts.

International and multilingual profile, comfortable communicating in Italian, Spanish and English.

EDUCATION

2025 | Master's Degree in Computer Graphics, Games and Virtual Reality - Universidad Rey Juan Carlos (URJC)

2022 | Course in Illustration - IED - Istituto Europeo di Design

2017 - 2021 | Bachelor of Science in Mechanical Engineering - Politecnico di Milano (Final grade: 94/100)

2019 | Erasmus Semester - University of Gran Canaria, Spain

2017 | Scientific High School Diploma - Liceo Scientifico Alessandro Messedaglia, Verona, Italy

WORK EXPERIENCE

2025 | Tutor and Professor - International Baccalaureate - Omoid Holdings

- Taught Mathematics and Physics in Spanish and English.
- Supported students by explaining complex technical concepts in a clear and structured way.
- Developed strong communication, patience and pedagogical skills in a multicultural context.

2023 | Kitchen Staff - Berberè S.p.A., Milan

- Worked in a fast-paced team environment focused on mother-yeast dough preparation and food service standards.
- Strengthened precision, discipline, time management and teamwork.

2022 | Logistics Assistant - Roberto Cavalli S.p.A., Milan

- Supported logistics operations for an Alta Moda fashion brand.
- Contributed to organization, order preparation and process reliability.

2017 - 2021 | Part-time Hospitality and Kitchen Roles - Verona / Erbezzo

- Waiter, pizzaiolo and kitchen assistant at Bar Pizzeria Nico, Verona.
- Waiter at Rifugio Alpino Malga Lessinia, Erbezzo.
- Built customer-service, multitasking and collaboration skills while completing university studies.

VOLUNTEERING & INTERESTS

Three weeks assisting people with special needs at Centro Piccola Fraternità, Cerro Veronese, Verona.

Piano, arts, cinema, drawing, comic sketching with digital tools and volleyball.
